Chairman Bogner called the meeting to order at 7:03pm.

Chairman Bogner relayed information that the Comprehensive Plan is completed and after the Manchester Village Board does an initial review it will be sent to the Ontario County Planning Board for their approval. When the Plan returns from the County, a Public Hearing will be scheduled prior to final adoption.

A letter of resignation has been received from Melissa Bretz stating she is unable to finish her term as Planning Board Member. Her term expires in 2007. A replacement member will be needed. Mike Chase stated that he would send a letter of interest to the Village Board.

It is noted that Bonnie Crossett, owning the property at 12 South Avenue, being denied the use of a rooming house, has procured an attorney to litigate her case. No action taken at this time.

The meeting adjourned upon motion at 8:10pm. Next Planning Board meeting will be September 6, 2005.

Respectfully submitted,

Rita J. Gurewitch  
Deputy Clerk/Treasurer
