WINTER 2003  
4340

8 Clifton Street

PHONE: 289-

---

The enclosed February 1<sup>st</sup> water & sewer statement is covering the last quarter of the year 2002. It is due by February 20<sup>th</sup> without penalty. All arrears and payments after Feb. 20<sup>th</sup> must be made by April 15th 2003, after which time we forward unpaid water & sewer to Ontario County to be levied upon property taxes. A reminder letter will be sent.

Though we have had a lot of snow so far this winter, the village crew has been working diligently keeping ahead of the snow removal. We have received many compliments for a job well done. They appreciate everyone's effort to keep their cars off the street though some are still parking in the road overnight. Please remember that cars must be kept off the streets from 2:00am to 6:00am (from November 1st to April 1st) to allow efficiency in snowplowing. We will be ticketing the offenders and have the car(s) towed away.

Please note that, by law, the Village is not responsible for replacing broken or damaged mailboxes. We certainly do not want to damage mailboxes, but unfortunately, it does happen. It is usually the weight of ice and snow that breaks them. If they do not extend over the curb, the plow itself won't touch it.

When removing snow from driveways & sidewalks, please check if the sidewalk has any ridges of excess snow. When this snow freezes it makes it difficult for pedestrians to get around it. Law prohibits snowplowing or shoveling snow from your property into the public streets.

We have received some complaints due to snowmobiles and all-terrain vehicles using public streets, sidewalks, and walking trails. The Village has not designated any public land for their use, therefore it is against the law and your machine can be confiscated.

Thank you for your help and cooperation.

**The Village of Manchester** is looking for anyone interested in managing The Chamber of Commerce. We thank Tony Muscolino for his many years of service to the chamber. If you are interested, please contact the village office.

**In 1992 we celebrated our centennial birthday party.** The event was held in August. We tried to make it an annual affair by celebrating again in 1993 and 1994. Unfortunately we were unable to continue as there were not enough volunteers to organize the occasion. We are asking for volunteers to coordinate an event this year. The Village Board would welcome and support those who come forward to volunteer.

---

**The Manchester Planning Board and the Comprehensive Plan Committee** are progressing in their efforts to update the village's comprehensive plan. Before any plans are approved there will be public hearings scheduled to keep all residents informed. At that time recommendations will be reviewed and further public input will be acquired. The regular meetings of updating the master plan are usually the second Tuesday of the Month at 7:00pm.

**Reminder:** There will be a public hearing concerning the removal of the railroad bridge on Route 21, and the construction of an at grade railroad crossing at the same location. This public hearing will be held on Wednesday, February 12, 2003, at 9:30am, at the Manchester Shortsville Central School Auditorium.

**HAPPY VALENTINE'S DAY**

**HAPPY ST. PATRICK'S DAY**
