If you didn't see the printed **Annual Drinking Water Quality Report** for 2020, we have copies available here at the village hall for you to pick up or see it on our website www.villageofmanchester.org.

RAILROAD MEMORIAL

The Village of Manchester is engaged in creating a memorial for all those that have worked on the Lehigh Valley Railroad. This effort is being led by Mayor Michael Buttaccio. We are gathering names and are progressing forward. There is an account set up at Canandaigua National Bank, *Village of Manchester Railroad Memorial*, to help offset costs. There is also a can/bottle drop off in front of the Bennett Building on Center Street. Contact the clerk's office to add any names to the list or if you have any questions.

RIDES ALONG THE TRAIL

If you can't walk the trail, and would like a ride along the outlet, contact Mayor Mike Buttaccio (289-8577) or Trustee Bill Henry (289-4206) or Trustee Charlie Fine (329-2391) to set up a time and they will give you a tour in a golf cart along the trail.

BRUSH PICK UP: The village will pick up brush on the **first AND third Thursday of the month.** Please try to coordinate putting your brush out in the corresponding week that it will be picked up. Branches are to be no more than 10 ft in length with a diameter of no more than 5 inches. Please place branches in an orderly manner in one direction. No wheelbarrows. This is a service for residents. If hiring a contractor, it is the contractor's responsibility to remove the brush. Brush pick-up runs from April to November. Leaves and grass clippings must be bagged and not loose at the curb.

Also, mark your calendar that you can start raking your leaves to the curb (still on the grass, not in the gutter) the week before Halloween, as we will start the leaf vacuum at that time.

INTERESTED??

The Village of Manchester is looking for residents that would be willing to serve their community by becoming a member of the Zoning Board of Appeals (ZBA). The ZBA Board meets on demand (when necessary) the first Wednesday of the month. They rule on requests of those wanting a variance from what is written in the Village Code Book. If anyone feels they would like to serve on the ZBA Board, please send a Letter of Interest to PO Box 188, Manchester NY 14504 or drop it at the Village Hall.

9/11 REMEMBRANCE FLAG

The background - The blue on each side of the flag represents the color of the state flags for each state where a plane was downed – New York, Pennsylvania & Virginia. The black in the center of the flag represents the sorrow we feel for the innocent lives lost from this tragedy; those on the planes those working in the towers, the Pentagon, and the rescue workers whom lost their lives during the rescue.

The stars – The stars represent the 4 planes that crashed and the innocent lives lost on those planes and in the buildings. The blue star represents the Pentagon & American Airlines Flight 77, and for the innocent passengers and the lives lost in the Pentagon. The 2 white stars represent each of the towers at the World Trade Center, American Airlines Flight 11 and United Airlines Flight 175, the innocent passengers on those flights, the lives lost (both those in the buildings and the rescue workers) and those that survived. The red star represents United Flight 93 that crashed in Shanksville, Pennsylvania, the innocent passengers, and those who sacrificed their lives to protect the loss of other innocent lives. The color of the stars (red, white & blue) is representation of our United States flag. All 4 stars are touching, as well as the 2 white stars to touch the blue in the flag – this represents our ‘unity’ in the United States.

Water Conservation Tips

Conservation is an important first step in preserving our water supply. Using these measures can also save you money by reducing your water and sewer bills. Here are a few suggestions.

Conservation measures you can use inside your home:

- Fix leaking faucets, pipes and toilets.
- Install water saving devices in faucets, toilets and appliances
- Replace high water use fixtures.
- Wash only full loads of laundry.

Village of Manchester

- Do not use the toilet for trash disposal.
- Take shorter showers.
- Do not let the water run while shaving or brushing teeth.
- Run the dishwasher only when full.

You can conserve outdoors as well:

- Water the lawn and garden in the early morning or evening.
- Use mulch around plants and shrubs.
- Repair leaks in faucets and hoses.
- Use water saving nozzles and sprinkler heads.
- Use water from a bucket to wash your car and save the hose for rinsing.
